Vol. XIV No. 3

July 1995

## **WELCOME**

### **GRADUATING CLASS OF 1995**

Congratulations to the graduating class of 1995. You are now part of a special group of men and women known as the alumni of Taft High School. The purpose of the Taft Alumni Association is to provide means for Taft alumni to continue or renew friendships begun at Taft, provide service to the school and most importantly to preserve its history. We publish a newsletter four times a year to let you know what other alumni are doing, keep you informed of activities affecting the Taft community and to invite you to special events at Taft. As you continue your education, work a full time job, or get married, remember us. Drop a line to let us know your new name or address and what you have been doing since graduation. This information will be very helpful for your first class reunion five or ten years from now. An application form to join the Association is on the last page of this newsletter. The membership fee is \$10 - which covers two years of dues. Considering the rising costs of printing and postage of these newsletters, that's a pretty nice bargain! Best of luck to you. Hold your head high and be proud to say you came from Taft High School.

## **WHAT'S IN IT FOR ME?**

Membership dues to become a member of the Taft Alumni Association is \$10, which covers two years. Why bother? What do I get from it? Yes, I'm already an alumni, so why do I need a "membership card"? The Taft Alumni Association is run by a group of dedicated volunteers who continue to hold a special attachment to Taft, even years after graduation. The

membership dues are used to cover costs of maintaining alumni records, publishing quarterly newsletters and coordinating reunion plans. We endeavor to furnish an annual scholarship to a deserving senior financed through special donations. Through membership dues, fund raisers and donations, we sponsor productions at Taft to encourage continuing interest in the drama department. Some of the most recent efforts have been "Mame" (1991), "Play on" (Fall 1991), "Bye, Bye Birdie" (1992) and "The Dining Room" (1993). A special drama workshop headed by a Taft alumnus and specially written play was performed by Taft students in 1994. Also, we have provided funds for buying hats and overlays for the marching band and a laser printer for the journalism department. It is an advantage to have your name listed in our alumni file, so it will be available for a class reunion when one of your class members (or even you) decide to probe such a possibility. With Alumni guidelines and assistance, this venture is much easier to arrange. As "Sponsoring Alumni", you can help make this association the largest, most responsive group of high school alumni in the area. It is a fact that Taft graduates are dedicated to the school's principles and carry forth a tradition with which no other high school can compare. We got our roots at Taft and they are strong and enduring. We urge any non-paying Taftites to join the 3,500 supporting Eagles. We are going forward with pride and determination. Helping where needed, the Association works closely with the PTA and Local School Council. Your financial aid will strengthen our treasury and give additional confidence to our alumni volunteers. You were in Eagle in high school. Now join the Alumni Association and soar like an Eagle for the rest of your life.

## ALUMNI CHORUS SETS DATE

Set aside the evening of December 1, 1995 for Taft Alumni Chorus' Fourth Annual Holiday Concert. Each year's performance gets bigger and better in terms of quality and attendance. We almost had a standing room only crowd last year. We will have a ticket order form in the next issue of this newsletter, so plan ahead and get your order in early.

Rehearsals start right after Labor Day up to Thanksgiving. All voice ranges are needed. Don't be concerned if your voice isn't what it used to be - we won't tell. Just come and join the fun. Time and location are still being settled as of this printing, so if you are interested in joining us on stage this year, contact Mike Guercio (Class of '78) at 312/775-4356 for details.

## PLEASE HELP US HELP A FRIEND ! To the Class of 1972:

One of your fellow graduates is waging a battle against cancer. With today's health care costs skyrocketing, some of his friends and family are planning a benefit dance, silent auction and raffle at the St. Juliana Parish Hall, 7200 W. Touhy in Chicago on July 29, 1995.

If you would like more information on the benefit or wish to make a donation, please contact:

George Stewart - 708/551-4116 (days)  
708/394-4418 (evenings)

OR Bill Martin - 708/577-4602 (evenings)

## TO ALL FLORIDA TAFT ALUMNI:

If you would be interested in getting together with other Taft graduates living in Florida for a luncheon? If so, please send your name and address and your graduating year to:

Nancie (Sedor) White (June, '57), 412 Firethorn Ave. Englewood, FL 34223 - OR  
Willie (Munk) Murphy (June, '57), 1031 Gondola Drive East Venice, FL 34293.

Previous respondents are already on file, so you do not need to reply again unless your address has changed since last year.

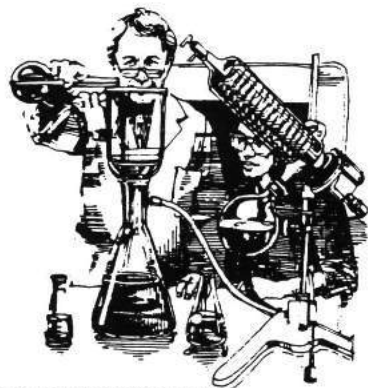

## Dear Kay,

I want to thank you and all the others who put together such a wonderful newsletter. Through it I have learned so much about Taft, its history, present and future mission in the community...

Yours truly, Dave Pfender (Jan., '63)

## TAFT WOMEN'S LUNCHEON

April 29, 1995 was the 42nd Annual Taft Women's Luncheon, held at Brigantes Banquets in DesPlaines, IL. Approximately 90 ladies attended this year's event and enjoyed a great afternoon of food, reminiscing and fun. The luncheon committee is already planning for next year. Efforts to bring attendance up to 300 are in the works. If you did not get your personal invitation this year, call or write now to be sure your name is included in the list for next spring. We will announce the details as soon as they are set. Contact: Dawn (Rolla) Reid (Class of '81), 754 Algonquin Rd., Apt. 1 DesPlaines, IL 60016 708/640-1669

## SCHOLARSHIP WINNER

Congratulations to 1995 graduate and this year's recipient of TAA Scholarship Award, Brian Hitchins. Eastern Illinois University is the school to be honored this fall with Brian's presence, as he works toward his goal to become a physics teacher. Brian ranked #3 in his class and was active in several extra-curricular activities including Student Council, Senior Council, Academic Decathlon, National Honor Society, Math Club and Drama Club. We wish him well.

## EVERY PERSON:

All the events of your life are there because you have drawn them there.

What you choose to do with them is up to you.

## 1994 NEWSFINDER OF THE YEAR

Taft alumni and WBBM Newsradio 78 reporter Don Mellema (class of Jan., 1955) has covered the Chicagoland streets reporting news as it happens for the past 25 years. He was honored by the Illinois Associated Press at the Illinois News Broadcasters Association convention for his individual contributions to the AP report by being named "1994 Newsfinder of the Year." Mellema is the second recipient of this award. Jim Wilson, Illinois AP Chief of Bureau said, "Don's outstanding coverage of Chicago and his willingness to share his reporting with the Associated Press members personifies the AP's cooperative spirit. He is most deserving of this award." Mellema's reports can be heard daily on WBBM Newsradio 78.

## IN OUR MEMORIES

**DONALD LOEW** (June, 1948) passed away suddenly in May, 1993 at the age of 62.

## HONORS CLASSES RESTORED

Under the new principal, Thomas Cunningham, Taft is refocusing on enhancing the curriculum by restoring the honors program that had been cut last year. Previous limitations imposed by the Chicago Board of Education's seven-period day schedules and Taft's School Within a School format resulted in not enough time available in the day to accommodate these specialized classes. This fall should again see classes such as Journalism, Speech-Drama and Creative Writing/Mass Media, Band, Mixed Chorus, Advanced Math, Law in American Society, African American History, Advanced Placement Political Science, Drafting, Carpentry and Electronics shops, Computer Programming, Desktop Publishing, etc.

Through the use of Chapter I funds, a summer school will be available this year offering a summer geometry course, enabling special students to earn five years of math in the space of four. Also to be offered are introductory

high school math and english classes. Students who need only one or two credits to complete graduation requirements can attend. The program is available for Taft student only for a nominal fee of \$10.

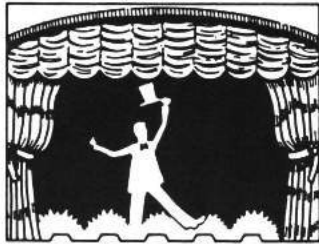

## PRIDE IN OUR YOUTH

Occasionally we hear comments like, "Taft isn't what it used to be," or "The kids today don't care any more." But looking back on the achievements of this past school year, we see things differently. In both academic and athletic endeavors, Taft traditions of dedication, pride and perseverance still hold. Some of the highlights of honors earned this year are:

- Girl's Swim Team - 8th place Overall in citywide competition;
  - Boy's Swim Team - 5th place Overall in citywide competition;
  - Luis Vasquez won first place in 140 lbs. class, making him a state qualifier;
  - Varsity football team beat Lane on October 7th (Homecoming game) with quarterback Marcus Stennis scoring a touchdown in the final seconds of play to win 7-0. This broke a 30-year losing streak vs. Lane in football.
  - Academic Decathlon team earned 5 medals for individual excellence in January. Senior Brian Hitchins won a bronze medal in the math competition and two silver medals in fine arts and science. Senior John Wayne won a bronze for language and literature. Junior Linda Wyant won a bronze medal for her skills in interviews. The team earned 7th place overall
  - Mock Trials competition earned Taft's team a first place in Citywide competition.
- Carry on, tradition, carry on...

## DRAMA CLUB CONTINUES

Another tradition that we personally encourage, support and help nurture at Taft is the Drama Club. This year's effort was another excellent example of talent in writing, directing and acting. Sponsoring teacher, Kathy Klink directed the performance, entitled "Variations

on a Theme Called Love". Technical Director was Jay Katzman and Student Director was Brian Hitchins. This was a collection of skits written or adapted by Taft students and performed by them. One exception was the addition of alumnus Pat Benson (class of 1994) who volunteered to help and would up as one of the performers in the show. Keep up the good work!

### **FACELIFT PLANNED FOR SUMMER**

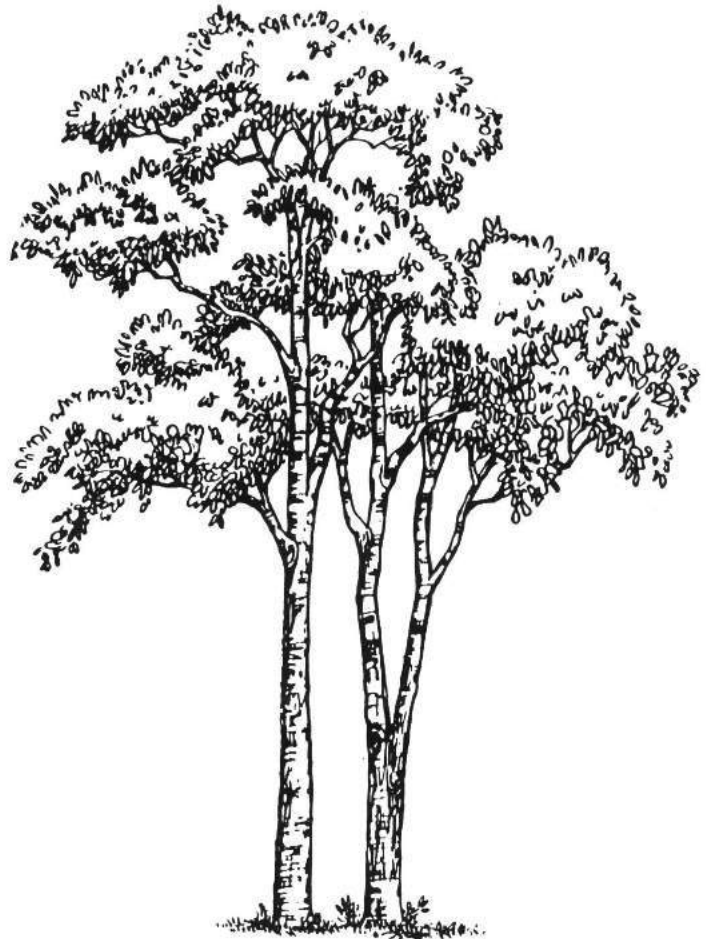

Plagued for years, Taft's malfunctioning rooftop air conditioning units will finally be replaced. Public Building Commission (PBC) has allocated \$900,000 for this project. Also planned for the summer is a refinishing of the floor in the large first-floor gym, including sanding, repairing warped boards and resurfacing and repainting lines. As a result, summer school will be located in the old building only (along Natoma) where windows still open. Does that bring back memories to graduates who attended prior to the two additions?!

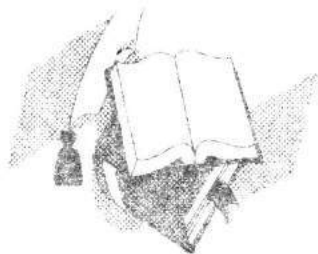

### **1995 TAFT HALL OF FAMERS**

Seven distinguished finalists have been chosen by TAA Board of Directors to be added to Taft's Alumni HALL OF FAME. At the present time we are busy contacting each honoree to advise them of the award and determine if they are able to attend the induction ceremonies in person. Our plan at present is to hold the ceremony during half-time at this fall's football homecoming game.

Watch for the date in October and plan to join us to celebrate this momentous occasion. We plan to have a special alumni section in the stands.

Former cheerleaders and pom team members are encouraged to contact us to organize a special cheering section for the alumni. Call Jerry Bloom (312)774-5320 for more information.

# ATHLETIC DEPARTMENT HAS A DREAM

Remember sitting in class on a nice Spring or Fall day, beautiful ,sunny and your only hope is waiting for gym class to get outside? Well not anymore, the baseball, softball and foot- ball fields are in such deplorable conditions that the teachers and coaches are concerned that someone could get hurt. Many practices, especially for baseball and softball, are held in the Kupcimet gym even on good days.

Their dream is to revamp the fields with ade- quate drainage, new sod, dirt, and diamonds

for baseball and softball. A stadium would also be built for football and soccer

It is estimated they need 20 truckloads of baseball dirt for the diamonds and practice field, the cost is approximately \$2000 just for the dirt.

If anybody can offer materials, time, equip- ment or estimates for their dream, please call Coach Cliff Wagner (312-582-4417 or Kay Kuciak (708-824-4747) soon. They will be- gin using the fields again on August 9, 1995.
